

SERVICE-related description

Application Management Service (AMS) - LOGA

Version 1.1 (11.11.2025)

1. Designation and object of SERVICE

1.1 Object of Service:

The SERVICE relates to services in the area of „Application Management Service (AMS) - LOGA“.

1.2 Purpose, Scope and Type of the Service:

The parties agree on the type and scope as well as the exclusive purposes of the commissioned data processing of the data by the contractor as follows:

In general, the AMS LOGA service comprises the operation of the fully integrated P&I LOGA payroll software, including time management, payroll accounting (including the creation of documents to be printed) and the provision of bank files for the client. Predefined reports for analysing personnel data (payroll totals, control lists, statistics and error lists) can also be made available to the contractor automatically. The contractor also provides support/maintenance of the LOGA platform for the client.

Optionally, data processing can also be carried out to provide the following services, if the client commissions these:

- Modules provided by LOGA P&I (see P&I service specifications) such as organisation management, personnel files, applicant management and self-services

The respective scope of data processing can be found in the service description.

1.3 Type of Data:

Commissioned Data Processing relates to the following types of data:

- Master data (e.g. name, first name, address, marital status)
- Payroll data (e.g. IBAN, salary, salary group, tax class)
- Social insurance data (e.g. pension number, health insurance company)
- Time evaluation data (e.g. SoFeNa surcharges)

Special categories of data¹:

- The Commissioned Data Processing does not concern any special categories of data within the meaning of Art. 9 GDPR.
- The Commissioned Data Processing concerns the following special categories of data within the meaning of Art. 9 GDPR:
 - Religious affiliation (e.g. denomination)
 - Health data (e.g. number of sick days)

1.4 Categories of data subjects concerned by the commissioned data processing

The data concerns the data of the following categories of data subjects:

- Employees and former employees of the client
- Survivors of employees of the client
- External staff of the client

2. Designation of subcontractors

- No subcontractors are used as part of the Commissioned Data Processing.
- In accordance with section 8 of the FRAMEWORK AGREEMENT on the Commissioned Data Processing, the subcontractors listed below are used as part of the Commissioned Data Processing.

The following subcontractors process the data on behalf of the contractor for partial SERVICES of the Commissioned Data Processing:
